## Five reasons you should attend Unfold

Hi there,

There are countless reasons to attend Mews Unfold 2024, hospitality tech's biggest annual forum. If we listed them all here, you'd be scrolling forever, so we picked five to highlight:

1. Get inspired by a full day of relevant, thought-provoking talks
2. Attend specialized workshops with the best hotel tech software
3. Discover new ways to turn unused spaces into revenue streams
4. Spark conversations that will never happen if you stay behind your desk
5. Hang out with the people who are shaping the industry

Unfold takes place at **the Muziekgebouw in Amsterdam on 29th May**. To find out more and to reserve your ticket, head to the Unfold website:
